Oshkosh Corporation Foundation partners with Children's Museum of Fond du Lac to support National Program

Fond du Lac, Wis (May 25, 2011) – Due to support from the Oshkosh Corporation Foundation, the Children's Museum of Fond du Lac announced it would offer free admission to all active-duty, National Guard and Reserve military personnel and their families from Memorial Day through Labor Day.

"We are happy to provide a fun and friendly venue for children to build special memories, especially for families who are making great sacrifices for our entire country," comments Andrea Welsch, Executive Director of the Children's Museum of Fond du Lac. "Last summer, we had many families take advantage of this wonderful program offered by the Oshkosh Corporation Foundation and we hope to see those numbers grow as we expand our outreach to Fond du Lac, Dodge, Calumet and Winnebago counties," adds Welsch.

This free admission program is offered in conjunction with 'Blue Star Museums', an initiative of the National Endowment for the Arts, Blue Star Families and more than 1,100 museums across America. A complete list of Blue Star Museums is available at www.arts.gov.

Blue Star Families is a national, nonprofit network of military families from all ranks and services who work to support, connect and empower military families. For more information, visit bluestarfam.org.
