

Field Trip Guide

Before and During Your Visit

- Pre-assign your students into groups of five or less. Many of the educational programs include an activity which may need the assistance of the chaperones. You may find it helpful to station chaperones around the museum and have them interact with the children as they come into their station.
- Remind chaperones of ways to be most helpful. (see below) They are valued resources and will be most useful when prepared and informed.
- Be sure to have enough chaperones. We require 1 chaperon per every 5 students. If you cannot meet this requirement, please contact the museum.
- Feel free to take pictures as your group interacts with the exhibit.
- *Please note that the Great Toddler Reef is only for children under the age of four.*

Museum Rules

1. Be Respectful: Please use indoor voices and helping hands to play nicely with our exhibits.
2. Be Responsible: Children under 16 must be supervised by an adult at all times. Food and beverages are to be consumed in the designated areas only.
3. Be Safe: Please keep shoes on and use walking feet at all times. Please do not climb on exhibits that do not have stairs or steps.

Great Chaperones

- Learn the names of the students in their group.
- Assist their group with completing the passport or program activity as introduced by CMFDL staff at the start of your trip.
- Monitor their station by interacting with the children that enter the exhibit area and make sure they are appropriately using the exhibit and props.
- Ask the students questions and interact with them as they work. For example: "What do you see out of the periscope?"
- Help keep the museum clean.
- Play with the children and not with their phone. 😊

Directions

The Children's Museum of Fond du Lac is located at 75 W. Scott Street in Fond du Lac's Waterfront District.

From 41 North

Take the WI-23/Johnson Street exit, EXIT 99
