

## Turtle Project

### Materials Needed:

White Paper Bowl

Green Washable Paint

Paintbrush

Lime Green & Dark Green Crepe Paper

Google Eyes

Green Construction paper

Glue Stick

Scissor

Pencil

### Directions:

1. Have your child paint the bottom & sides of the bowl with the green paint.
2. Have your child cut the green crepe paper into smaller pieces. Then use your glue stick to paste the crepe paper to the bowl.
3. Next draw legs, arms, head and tail for your turtle on the green construction. Cut them out. Glue them onto the "shell" of the turtle. Last step glue the google eyes on the head.
