

Special Offer for 4th Grade Classrooms

Moola Mania is a two-hour FREE field trip program offered at the Children’s Museum of Fond du Lac. This event encourages students to cultivate healthy personal financial skills by educating future generations of consumers. The content in Moola Mania aligns with 4th grade personal financial literacy curriculum and performance standards.

During the field trip, your students will be able to earn “Museum Moola” by performing a number of “jobs” around the Museum. After they have completed their jobs and income has been earned, students will have a chance to make financial decisions such as saving, sharing, and spending.

Due to the generous sponsorship of Verve, A Credit Union, we are able to provide this program free of charge to two schools. If selected, you will be notified Spring 2022.

School Name: _____

School Address: _____

Contact name: _____

Contact email: _____

Which time of day do you prefer? Morning Afternoon Flexible

Estimated number of 4th grade students attending: _____

Are you able to provide 1 adult chaperone for every 5 students? _____
